

**REMARKS**

Claims 46 – 67 are pending at issue. Each of the claims have been confirmed as reciting allowable subject matter. The only rejection in this case is of the reissue declaration and based upon 35 U.S.C. §251. As noted at ¶5 of the office action, the filing of a supplemental reissue declaration will put this case into condition for allowance.

Applicant attaches herewith a supplemental reissue declaration confirming that every error corrected in the present application and not previously covered by a prior declaration arose without any deceptive intent on the part of the applicant.

The applicant respectfully submits that this case is in condition for immediate allowance.

Respectfully submitted,
